CLEAN MOBILE

Finding a connection – made easy.

NU on Tour[®]: arrive, connect, rinse.

Uncomplicated! The mobile counter will open on venue and in a few easy steps the fresh water pipe can be connected.

CLEAN SMART

Finding a connection – clever solution.

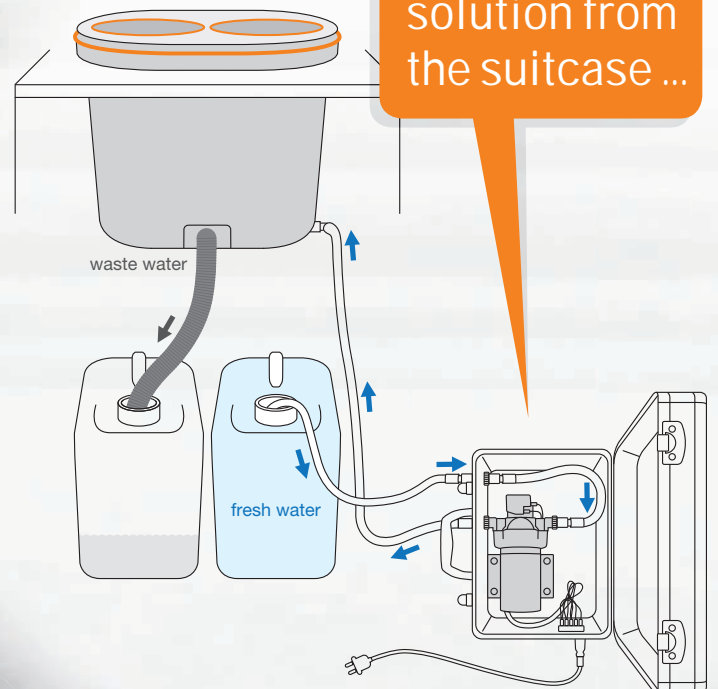

Tedious searching for connection options at the event location was yesterday!

- 100% independence on every event site
- the fresh water is working in practical canisters on tour
- the water pressure from the suitcase makes you mobile and is installed in no time

Ready to go!

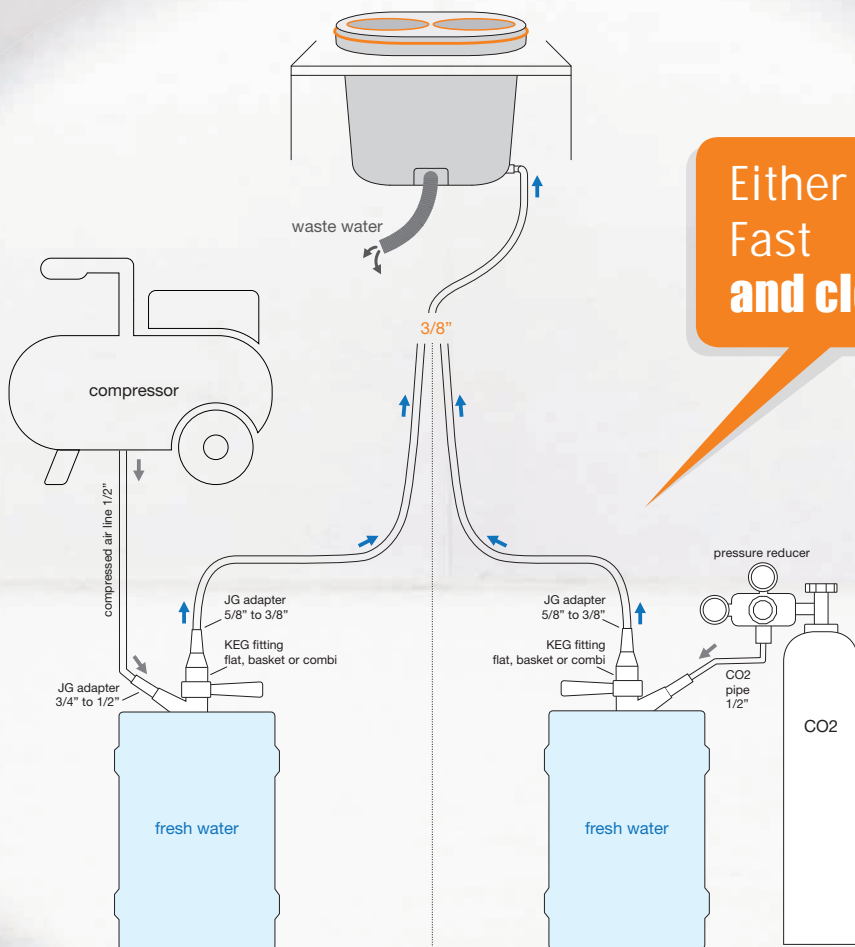

The smart solution from the suitcase ...

ENJOY INDEPENDENCE

Finding a connection – like a pro.

- 100% independence at events of all sizes
- the fresh water goes on tour in barrels
- the water pressure using a compressor or CO2 bottle can be easily taken to any event

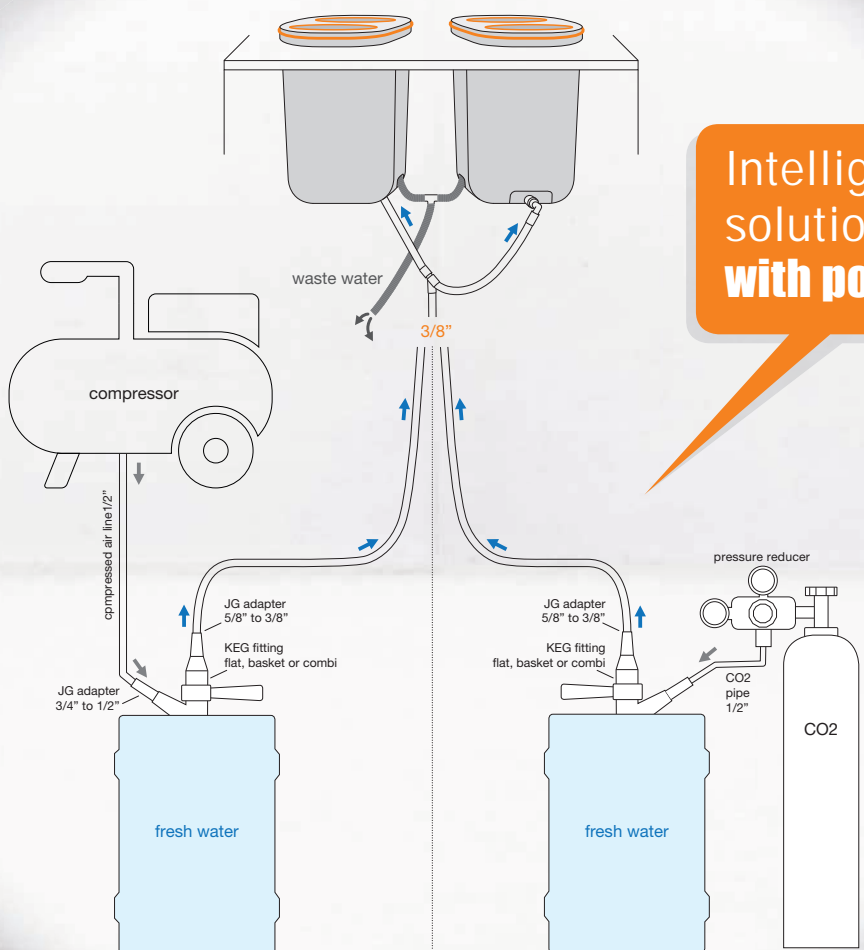

Either way.
Fast
and clean!

CLEAN DOUBLE

Finding a connection – maximum.

- 100% independence at events of all sizes
- the fresh water goes on tour in barrels
- the water pressure using a compressor or CO2 bottle can be easily taken to any event

Intelligent solutions with power!
