

Thank you!

Again this year we can look back on interesting contacts and pleasant conversations during the Brau Beviale in Nuremberg and the HORECA Expo in Cracow/ Poland. We would like to thank our distribution partners and customers; everybody who plans to become one and all interested persons for some exiting and diverting exhibition days.

... and save the date! DrinkTec 2017 in Munich

We are looking forward to meet you next year in Munich already – whether from the 11th to the 15th September at the exhibition or afterwards at the Oktoberfest.. :-)
