

CLEAN GLASSES ARE GOOD. 100 % HYGIENIC CLEAN GLASSES ARE THE BEST.

Perfect Hygiene! 100 % hygienically clean glasses are granted even without aggressive chemicals. Our SPÜLBOY® cleaning tablets are fully biodegradable and therefore gentle to humans and our environment. You achieve 100 % bacteria-free and 99.9 % virus-free cleaning results. Your guests will be happy and grateful.

The test results are executed by the recommended Institute for Food Chemistry Prof. Kurz GmbH:

The impact of SPÜLBOY glass-cleaning tablets on germs:

Escherichia Coli

Pseudomonas aeruginosa

could be evidenced.

The pre-existing bacteria contamination had been eliminated after a rinsing process with the Spülboy cleaning tablet by 100 %.

The effect of SPÜLBOY glass-cleaning tablets on

Herpes simplex Virus (HSP) Type 1

could be proven.

The Spülboy cleaning tablet eliminated the pre-existing contamination of viruses in the test emulsion by 99.9 %.

WE LOVE QUALITY

As an international Top Mark innovation "Made in Germany" is our highest claim. Therefore we are using a new energy-efficient injection machine by ARBURG to generate high quality and 100% recyclable plastic. Think NU! Clean Green!

For Enjoying SPÜLBOY!
