Powerful rinse!

Cleans blenders, shakers and decanter or cools down your beer glass before tapping.

Different caps along with a powerful rinse ensure perfect cleaning results.

Bottle rinser

QUICK & EASY
THE SPECIALIST

Whether it's a bottle of juice, milk, beer or other. With our special bottle rinsers we offer you a unique solution for bottles or containers of any sort to be cleaned thoroughly from the inside.

With a powerful fresh water rinse, all vessels with an opening from Ø 18mm can be rinsed out vigorously and thus cleaned of dirt and deposits.

Particularly popular with craft beer brewers and connoisseurs!
